

30TH ANNIVERSARY

ROBERT OAKESHOTT

FOUNDER OF THE EMPLOYEE OWNERSHIP ASSOCIATION

The year 2009 is the 30th anniversary of the formation of Job Ownership Limited, the body which in 2006 became the Employee Ownership Association.

The organisation's Founder, and until 1999 its Director, is Robert Oakeshott. We asked some of Robert's colleagues and friends to comment on his contribution to the cause of employee ownership.
